

Ms. Gall. fol. 184

### **Binding:**

Marbled paper binding, the spine made from dark blue linen. An identical kind of binding was used in the 19<sup>th</sup> century in the Königliche Bibliothek in Berlin.

### **History:**

The manuscript was written between 1813 and 1854 in England (?). It is a copy of documents belonging to Sir Hudson Lowe (1769-1844). On account of the place where the documents were kept (England) and mistakes both in the French text, as well as in German names we may assume that the author of the copy was probably a native speaker of English. There are numerous corrections made in the text by an employee of the Königliche Bibliothek in Berlin. The manuscript was entered into the accession register of the library on the 16<sup>th</sup> of March 1854, under the number 3902.
